Program Information

- The MSC Online Learning Program is proud to help meet the needs of school districts across the state by providing challenging online learning opportunities for students.
- MSC Online is a part-time, non-diploma program, so students remain enrolled in their home district while taking their online courses.
- Our program is approved by the Minnesota Department of Education to offer online courses for Middle and High School students.
- MSC Online can assist students who are in need of credit recovery, advanced, additional, or specialized courses.
- Counselors have utilized MSC Online to solve scheduling conflicts and to help meet mental and physical health needs of students.
- MSC Online courses offer maximum flexibility, allowing students to work at their own pace within their own schedules.
